Aho. Mitakuye Oyasin.

For ten years, Four Winds Foundation (FWF) has been dedicated to serving, living and teaching natural ways and our connection with the Earth, Spirit and our World family. Like a forest, we as a community are strongest when we work together to help fulfill the FWF mission. Especially in these challenging times, your support makes a difference.

This year, Four Winds has had many exciting achievements:

- ❖ Ceremonies and teachings of ancient ways to the FWF community and the local Central Oregon School Districts
- ❖ Boys and Girls Coming of Age Rites of passage
- ❖ Teachings of the ancient ways to communities and groups throughout the Western U.S., Mexico, Chile and Ireland
- ❖ Creation of a new website to be launched soon called The Four Elements that shares stories and teachings from myself, David Carson and other visionaries
- ❖ Stewardship of Deer Haven and its sacred sites

This fall, I wrote the first installment of a book, *She Walks Amongst Us*, the story of White Buffalo Calf Woman. The book was edited by Sarah Clark and published by Bill Stanton. It's available for \$10; please call me at (541) 306-0383 if you wish to order a copy.

Our community is supported by its members through financial contributions, in kind donations, volunteerism and sharing of our mission with your network of friends, family and associates. I hope that you can commit to help us fulfill our mission – donations may be made via the PayPal button on the Four Winds site (www.fwfoundation.com) or by check to the foundation office.

Thank you,

Sweet Medicine Nation
